BRILLIANTLY
CONCEIVED

Yes, big brother Richard

Yes, big brother Richard

What is it?

I need
your advice
for something

What's wrong?
The sea is
just much
bigger than
what she
can see.

What matters
to me is not
how much
but about
who else is

The time is
here for me
to take
a wife

But I am not sure yet about my choice.

If your partner was Erich, there will be no problems at all.

There is more
that you also
will see. You

Figure 1

I did not yet fully appreciate you than do not call her in a flimsy way

You should
not talk about
this part
of things
to Lisa.

**Hey
!!
Idiot
!!**

Yami
is cute,
energetic,
and
a whole
lot more!

Yami
you are so
energetic
even in the
morning

**WAKE UP
!!**

ouch

Gosh

ALTS SAID
THAT HE'S
GOING
TO HAVE
BREAKFAST.
SO WAKE
UP.

oh!
Yami

After breakfast,
I have a
pleasant
time.

Good
morning!

There
is
Anne

Good
morning!

Lastly
this is not
enough

After

It is true!
You're just
glad about
that, so
understand!

I do not
give a trash
about what
you are
thinking!

a very strange
animal that is
said to be a
familiar, Yoru

It has
been a
long
time

What I
want
about my
address

By
the way

I hope
you are
alright

En

It is a beautiful day, isn't it?

Yes

It is

Lise

Enrich

Something reminds you
How things
right?

eam

is that
good

I want to
achieve
something

am
Good
morning

He was
all going
along
very well.

Big
brother

Big brother,
you too
take the
road

That you
think
is better

no
no

nothing
no

what
?

I look without
realizing I was
attracted to that
solid as that
specific pose.

as well
by
staring
about it

I thought
I saw
something

was't
my
reflex
about a
body

But then,
we have the
solid's familiar
Pond, who
has
solid on

who gave my
everyone
saying to
be a solid
for a life

Like
1-1

oh
!

but I have
not seen her
since it was
done as
if it was
only a dream

but it is yet
clear that En
has come to
my help at
that time

Sorry,
I haven't
seen her
in while.

let's go

let's go

I want to
find my
negotiable
partner

I want
about the
place where

and so

huh

Then she was worried about it

what were you two talking about it

ask about the vegetable garden

hahaha

Looks like you managed to catch a man into your net's Miss Lisa

you are very talkative today, Anna

I am coming after I

excuse me

oh I see the I will get you

however

good
morning !!

you have
come
across
one ? is
with ?

no its just
that — but
is

what ?

— like ?

it is
only
a rumor

and ?

?

Oh
yes

whereas
that that is
the kind of
rumor that
is spread
to many is

what
?

and
is
—

its just
that — it
surprised
me

— is
nothing

They say that
they expect us
to let down our
guard and
provide
national
disasters.

You know,
it's kind of
hard to talk
about it

I don't
remember
much about
the story
then.

One day, our guests disappeared without a trace!

every night they are engaged at some rituals and they need someone for that!

It's difficult to know the truth on this matter.

they ...

... I am checking the equipment

Don't say silly things!

thanks again
take care

we do that because we have been hired by your family and that is our job but ... we are only peasants!

During the summer, we are very busy with the field work!

Good, now we return!

good ...

You're going back already?

an accident will happen to you!

ha ...

but these stories are a taken subject of the village

right, grand father?

humpf!

a
festival
is?

yeah, well
we will be
very busy
with this!

by doing
the usual work
for the
festival

might
that is
good
grand-
father

other
nations
is

ooh
!!

yes, the
festival
of spring

you have
some
festivals
in your area
is

how do you
celebrate it
?

well

if you
continue
like this, we
will never
leave from
here
!!

I have
never
attended
one! How
is it?

it has
to be
funny,
right
?

This is a
real shame!
Don't ask us
to do more
than what's
needed!

grandfather
—

as our village
is close to
their property,
we have all
subsequently
been aware
of this fact
!!

your family
informed us
that you were
as dead
to them

yes!!

probably
right
—

Miss
Lovelace
—

It is not
because you
live here that
everything
is allowed.

Don't act
rashly and
do not
speak
lightly.

this may be
dangerous
for you
—

but I
still want
to try

— but —

To see
them
grow..

It takes time
and work

but it may
not be
sufficient
to achieve
something

this is only
a result of
frustration
and success

it's simply
because
I had some
in my house

Thank
you !!

although I think
the anthers
are not hardly
rather flowers
or a field !!

What

may

It's
true

...We
came to
something.

But
even

when
it all
started
here

I've
decided

and then
this tree is
the symbol

of all
the pains
we had

to move
my plants

here I

I want to
make our
trees here
more
comfort-
able

too
many

well
Good
question

I forgot
to ask him

I want to
do a
vegetable
garden
in this area

Is

One day
in a garden
of flowers

all I'm
saying
is...

I just
wanted

to tell
you to
persevere
!

and if you
need anything,
just ask me

I will
help you."

It would

I found

I found

you are

— Yes

Let's try
to grow
them ...

You're
here

I will
never let
you go

I won't

regrets
anymore

I will no longer
be afraid of

discouraged

we can

again.

We can

We'll
